## Traditional

Most popular/durable residence hall mattress style. Includes a firm innerspring mattress core available with either high density polyurethane foam or Indura Performance Fiber. Come standard covered in a 210 denier coated nylon mattress ticking.

*Dual firmness design available.*

- **Cover options:** 10.5 oz 3 ply vinyl, 8.5 oz 3ply vinyl and 210 Denier Navy Nylon (standard)
- **Features:** 18% more coils than industry standards and Heavy duty border rods for superior edge support
- **Sizes:** Dorm, DormXL, Twin, TwinXL, Full, FullXL, Queen

## Inverted Seam

It is more resistant to bed bugs than some standard construction practices due to its hidden inside seam. And includes a firm innerspring mattress core available with high Performance Fiber comfort layers. Come standard covered in a 210 denier coated nylon mattress ticking. *Dual firmness design available.*

- **Cover options:** 10.5 oz 3 ply vinyl, 8.5 oz 3ply vinyl and 210 Denier Navy Nylon (standard)
- **Features:** 18% more coils than industry standards and Heavy duty border rods for superior edge support
- **Sizes:** Dorm, DormXL, Twin, TwinXL, Full, FullXL, Queen

## Innerspring Mattress Covers

Standard covers fit up to an 8" thick mattress with the 210 Denier navy nylon cover and 210 denier nylon with polyurethane backing. Covers are available in:

- 10.5 oz. Green 3 ply PVC Vinyl
- 8 oz. Grey 3ply PVC Vinyl
- 210 Denier Navy Nylon (standard)
